I neeeeeed a show similar to this, after rewatching it I confirmed it to be my favourite anime of all time. If anyone has any suggestion for an anime that has a male MC and yandere female MC please share :P

Story seems interesting. Thank you for the suggestion. Never heard of this anime.

Watched it and it was okish, I guess. Really hated the main dude, how the f**k can you be so scared and dumb all the time.

You watched 24 eps in such a short time? yukki is meant to be weak and yuno protects him but he does eventually man up.

Yuno was awesome and story was good, just that Yukki was dumb. Yeah, I binged watched it.

I think the huge contrast between the crazy yuno and regular schoolboy yukki is what's so great for me.

I would take a look through: https://myanimelist.net/anime/10620/Mirai_Nikki_TV/userrecs

Darwin's Game would be the most similar to Future Diary though.

I have seen it, very sad to see so little episodes. I hope they bring more seasons that show was awesome.

[Mafty Navue Erin](#) you should watch "high-rise invasion" it's a rooftop battle royal, very good.

Try out Deadman Wonderland if you haven't; saw it on Netflix in English - hardcore stuff lol.

You also might be interested in Higurashi. Though the "game" theme isn't prevalent in these anime as much.

I think you'd also like Durarara!! I watched it all in English, but I recommend both dub and sub.
