I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Hello.

Thank you for feedback.

TOS are on their way with a thread design.

Required informations to get me started will also be updated.

No limits on countries, but prices will rise if it's any countries from the Middle East.

I already requested a review of 2 earlier clients.

Recently got 3 more orders, and already agreed that they will leave a detailed review.
