Thread: [#1 \[BRAND NAME REMOVED\] METHOD \[AUTOPILOT\]\[BOTTING\] START YOUR OWN TRAFFIC SERVICE](#)

Selling a very simple [BRAND NAME REMOVED] botting method.

Working as of 10/2021

This method allows you to send hundreds of adds to the same snapchat username. It takes approx. 24hrs to reach any desired amount of adds.

Included:

Bot link

Step-by-step tutorial on setting up & running the bot

Links for resources needed for the bot

Small tips

This is NOT mentorship, do not purchase expecting anything other than [BRAND NAME REMOVED] botting information. If you're looking for someone to hold your hand, check out my [mentorship](#). The guide has everything you will need to run it smoothly.

Requirements:

~\$120-\$200 in startup capital

~1-2 Hours of setup daily

nothing else.

With this method you can start a very successful e-whoring venture, or simply sell loaded snapchat accounts like many others. However, this method is much less time-consuming than others sold on the forum, involving only 1 hour of work for hundreds or even thousands of adds.

Price: \$350 BTC

no vouch copies, the method works and is braindead easy.

What guarantees can you make that it will work the day after

You will be provided future updates as long as I support them.

There is usually around a 3-7 day downtime depending on the significance of each update.

That term is a loop hole. Really, not trying to annoy but if you provide support as long as you choose to support, it doesnt change any fact

I can see that but it's not intended as such. [BRAND NAME REMOVED] botting will not be around forever. I'm not committing the next x yrs to reverse engineering it, but I will provide updates as long as I can.

Regardless of this, the method can be scaled to thousands of adds/daily... Even without updates it's more than worth the price. I'm positive a competent ewhorer could profit within a few days of using the method fully.

Yes, it is currently working with roughly 80% success rate.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
