Thread: [Discord Member Boosting Increase Your Member Count](#)

Jason - August 3, 2021, 12:06 pm

Offline Member Boosting:Randomized names.

Randomized profile pictures.

Always offline - boost your offline member count.

Pad your member count to attract more people!

Current limit for one server - Offline members: 32000

Price: \$0.02/member and minimum is 300.

Online Member Boosting:Randomized names.

Randomized profile pictures.

Always online - boost your offline member count.

Pad your member count to attract more people!

Current limit for one server - Online members: 1600

Price: \$0.04/member and minimum is 100.

This will be a MONTHLY payment since I put the bots on a server 24/7 to be online. Bots may leave after the subscription expire.

Premium Online Member Boosting - Looks even more real!Randomized names.

Randomized profile pictures.

Always online - boost your offline member count.

Pad your member count to attract more people!

Looks even more real, no one will doubt they are bots! Randomized Spotify, Playing, Stream, and Custom Status.

Current limit for one server - Online members: 2200

Price: \$0.05/member and minimum is 100.

This will be a MONTHLY payment since I put the bots on a server 24/7 to be online. Bots may leave after the subscription expire.

Important:After you place the order, bots will automatically start joining your server using the invite link you provided. The link provided should be a "never expires" link so that all the bots join with no issues. Also, if you find any issues, contact me immediately.

Renewal prices come with 5% to 10% discount.

Terms:This is a members boosting service. You can boost members in any guild you like.

This is not a nitro boosting service.

Don't use this service in any malicious way.

Just an discount decided by me and by your number of members per purchase. The more it is, the more is the discount basically. It may go up to 15% too.

IgniteFX - August 7, 2021, 2:15 pm

Pm me how to get started, looking for 300 online ones.

panelminers - February 28, 2022, 5:32 am

Is the service still valid OP? Looking forward to purchase the premium version. Thanks.
