Thread: [Free BULK SMS TESTER for limited members \[sendroutes.com\]](#)

Digital Stacker - August 3, 2021, 1:03 pm

I have launched beta step for my SMS send-out project and I am right now testing user content via my Panel .

anyone who wanted to try out my messaging platform I would like to request Join my Panel and test free delivery and if anything you found it as

missing , please let me know so i can self correct it.

site : [SMS PORTAL](#)

once joined , Message me on telegram : @sendroutes or send message over live chat. I will add free credits in those member accounts .

the free sending offer is limited to 20 members now.

I expect join and let me know for any correction.

thanks for taking out your time , i am still paging up everything offline so , front-end will be fixed in a day or two.

although message functionality is active over <https://clients.sendroutes.com>
