Thread: [Advice Needed Just made an account , Problem facing while upgrading to L33t](#)

PROFESSOR - August 6, 2021, 8:38 am

Hello mates , I have recently made an account in this forum, I wanted to upgrade my account to L33t , But when i click upgrade button , I dont see credit card option to pay .

is that option not available for some reason ? or inactive because I am not old enough ?

please help , fellow mates .

You need to have 20 posts before you can do that. Probably not spam ones either.

ya,but earlier they dont ask this type of requirement for upgradation of account
no worry thanks for your suggestion mate.

no worry thanks for your suggestion mate.

You're limited by two factors:You need to make 10 posts to use that option
Select countries are blocked from CC upgrades

Worst case scenario, have someone exchange PP (or otherwise) for a supported crypto.
