hello, this is the first of 9 forced posts. thank you for allowing me to use your site, institutionalized and forced activity kinda takes away from the experience. just my opinion, bummer that I gotta waste time here so i can dm some1

Hi, I agree that it feels forced but that feature is to stop bots and leechers from abusing forum features.

Welcome [friendlyspider](#)

Just some advice, don't spam for posts etc. Keep them high quality. Have a great day.

Forced posts? Why are you doing such things? Is it for you send spam messages or something else?

In order to be able to chat with other members, we force you to reply to at least 10 threads....

>>>but isn't this going to just flood the site with noobie posts ??

sounds unneccissary, seems more like a way of deterring bots.

hmm. just wondering if there's a better way to do that without having to force users to post,

although maybe i'm over thinking it. ???

sayhijordy - August 14, 2021, 12:05 pm

I'm also trying to get that 10 post requirement.

hayesh - August 14, 2021, 3:43 pm

Lyralei - August 14, 2021, 3:54 pm

Yeah, it's a bit annoying but it's not that big of a pain and saves alot of hassle from having to deal with bots etc.
