But now its -11 lol <3

I believe we've already exchanged QL's so it won't count towards either one of our awards but oh well! Cheers mate

I would but we both already exchanged QL's mate <3 sorry broski! You getting close to your goal? I believe i only got 11 left!
Thanks Sent you more <3 ????

Nope its only going to count once from each UNIQUE user towards the reward.

So that being the case, you can only receive 1 QL from each user ONCE period, no matter the thread/post feel me?

So you can only really get it once from every user.. best of luck man!

GL to you too!Yeah exactly otherwise people could very easily abuse and cheat it with just the 1 person spamming it 100 times and then he can literally return all the bytes back to him by either QL'ing back or just sending it xD oh well its not too bad honestly

And I'm at 90% finally dam... took forever... i hope i can get it done soon! But thanks man best of luck to you as well!
