Thread: [\[#1\] ACHIEVE FINANCIAL FREEDOM | A SCAM FREE EBOOK | MAKE YOUR MONEY WORK FOR YOU |](#)

??? - August 10, 2021, 10:12 pm

Warning: This is not a get rich quick, if you looking to become some millionaire overnight this is not the book for you.

The only eBook that actually teaches, and doesn't scam you. I am here to teach people about money and how to make it work for you passively and safely. Coming from someone who owns a credit repair company and financial advisory so someone well experienced.

Know your seller:

Why am I selling this?

I decided to spend my time writing this book for the sole purpose of teaching. People are trapped in an endless cycle when it comes to money, a cycle they feel they can never escape living paycheck to paycheck. If not people are bad at managing their money and don't know how to use it to increase their wealth. Saving money can only get you so far, the real goal is to have that money work for you to build freedom.

Why does it cost money then?

Quite honestly I would have liked to release this for free but there are a few problems in doing so. When you get to a level of financial freedom you realize how valuable your time is and how it can't be boxed into an hourly dollar. Knowing this I've decided to compensate myself for the time and effort placed into the creation of the eBook. Secondly being that I'm doing one on one help with each customer to help answer questions and guide them in the right way.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Just got my Amex biz gold and I run a digital marketing company. I don't know if you are looking for reviewers, but I would be happy to.
