Not earning that much, roughly \$50 a month but it's easy to do and very reliable and consistent. Takes little work, almost nothing at all.

Post here and I will send you the method

Very interested in this method. PM me please

OP just sent me, looks like a solid method. Will report back earnings in a few days

50\$ per month mean 1.6\$ per day you can walk through streets every morning and you surely can find 1 dollar or a 5\$ paper so boyaaah 5\$ x 30 days
