Reluctantly, the time has come to offer up my entire Battle.net account for sale.

The account is my own and has primarily been used to play World of Warcraft since 2008. Throughout this time I have acquired a large collection of rare, highly desirable and no-longer obtainable in-game items or achievements. I've prepared a relatively small list of these below, including further details of what is included within the account. The account is UK/EU-based, and so is any applicable game licenses.

Code Other Game Licenses Purchased:

- Call of Duty: Black Ops Cold War
- Call of Duty: Black Ops 4
- Diablo II: Resurrected (Pre-ordered)
- Diablo III: Reaper of Souls
- Crash Bandicoot 4: It's About Time

World of Warcraft Accounts:

Achievements (16,500+ Points), Including:

- Ahead of the Curve (x11) (Including Latest Raid - Sylvanas Windrunner)
- Hero of the Alliance (x2) (End a PvP season in the top 0.5% of the rated battleground ladder) (Commonly referred to as HOTA or Rank 1)

- A Challenging Look (Unlock Mage Tower Appearances)

240 Mounts, Including:

- Spectral Tiger (\$8,000+ TCG Mount)
- Raven Lord (~1% Drop Rate)
- Headless Horseman's Mount (~0.4% Drop Rate)
- Sintouched Deathwalker (Keystone Master)
- Awakened Mindborer (Keystone Master)
- All Recruit A Friend Mounts, Including Those No-longer Obtainable (Explorer's Jungle Hopper, Swift Zhevra, etc.)

Characters:

- Demon Hunter (Level 60) (Item Level 244)
 - 2100+ Arena Current Rating
 - Mage Tower Appearances
 - Warglaives of Azzinoth Appearance
 - Sanctum of Domination: 10/10H, 1/10M
- Monk (Level 60) (Item Level 223)
- Priest (Level 60) (Item Level 220)
- Hunter (Level 60)

- Druid (Level 60)
- Warrior (Level 60)
- Paladin (Level 50)
- Mage (Level 50)
- Warlock (Level 50)
- Death Knight (Level 50)

There is no doubt that I have forgotten so many other treasures in this account, as I made the list with only what initially came to mind.

I don't expect to find a buyer on here, but it doesn't hurt to try. I'm looking for offers in the range of \$1,500 to \$3,000.

I'm aware sales on here must be done via Contracts, as so, if you're interested then get in touch so we can use this process.

As I'm sure some of you can imagine, the account holds an amount of sentimental value and I won't be interested in selling it for any less than this.
