Thread: [Anyone else not sleep when they sleep?](#)

Fafangel - August 17, 2021, 10:45 am

I'm actively fucking other worlds at night. Maybe this world. Dunno. Went to asia last night but it was an island. Pls help I might be sychizophrenied.

cybr - August 17, 2021, 11:47 am

Anyone as high as this guy rn

Scoppa - August 17, 2021, 1:31 pm

Smoke some CBD before going to sleep. It will help you a lot.

Polymorph - August 17, 2021, 1:35 pm

I read the title like 3 times before clicking this post trying to understand... lol

rsx - August 17, 2021, 3:34 pm

I rarely go into REM (deep) sleep, so I'm always at least a little sleep deprived and always physically tired. It's not sleep apnea or anything, the doctor I visited was unable to diagnose me.

jecoylecroy - August 17, 2021, 6:18 pm

Try taking a sleeping pills.

Yanix - August 17, 2021, 8:31 pm

You are on sleep but you can't sleep? lol

You are now on Asia on what Island?

cig - August 17, 2021, 8:32 pm

This is the result of not giving your child enough attention.

blxcklist - August 17, 2021, 9:02 pm

ok can you tell us what psychedelics you got?

ExallosTimoria - August 18, 2021, 12:39 am
