About me

Spoiler ([Click to View](#)) I'm a first time seller and new to the HF community ??, but I've been in the ehworing business for about a year and not complaining about profits. I'm starting this service to help those having problems and want to expand their experience. After seeing many people struggle with ehworing traffic, I decided to provide that service. I've got my own method that I've been using myself since [BRAND NAME REMOVED] started banning and shadowbanning accounts. If you are an experienced chatter or simply want to start e-whoring without the hassle of traffic, I'm here DM for help. Discord:tutu#9048

I'm also looking forward to seeing reviews and would be willing to take a vouch copy if offered. I'm not vouch begging just an open invitation, but will definitely be a customer soon.

Is the source of traffic [BRAND NAME REMOVED] or you get these traffics from like low quality sources like omegle?

uhq man, uhq earnings, uhq methods

Stanley - September 20, 2021, 6:53 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Vouch bought 300+ adds 10/10. will buy again soon. Cheers!

Fi?is - September 28, 2021, 2:19 am

?DEAL WITH CAUTION ? seller already have an opened dispute.

my experience with OP is bad. He blocked me on discord when I asked for the 30K traffic method (I was able to pay)

Important note : he know that I'm vouched, legit & reputed [BRAND NAME REMOVED] / dating traffic provider, that's why he refused to sell me the method...

30K/adds a day is litterally impossible if you dont have a strong team working for you and I certify it.

This guy know how HF works, and it is particularly malicious, I'm pretty sure the vouches arent real at all.

m-ru - September 28, 2021, 9:43 am

how do u expect me to know how hf works when i only been on here for only 1 year df? and on top of that i have many people who bought my method that was the only person who was tryna get free mentoring after the 7 days.
