Agreed.

This forum should have a rule that if someone receives a vouch copy they have to write a detailed review. Vouch copies are just abused now as way for /high rank/ users to blag freebies.

Will this work in the UK?

What is required to complete the method?

Is there a limit to how many times you can abuse this per day?

Does it require proxy/VPN?

Is it only \$5 payouts you can get?

Is it obtained through any soft of reward system? i.e. download this app, install this software, complete the puzzle, etc?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
