Thread: [SMS Bombing Method to country \[not accurate bt works well for most of user \]](#)

Digital Stacker - August 21, 2021, 12:08 am

I have gone through some post ,people ask for SMS bombing methods or service . so I can share you my method which i know personally .

this Free method works inside the country for person to person .

TELEGRAM : @SENDROUTES

for e.g - if You live in UK it will work for UK only , but you can test self to send different region.

so for the Method , just send me Private Message or comment below, I will send you

Good Luck friends ?
