I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

What is the daily limit ?

ReduxJS - September 3, 2021, 2:30 am

After doing some digging on this guy, his CoinPayments is registered under name "Ramwalker". On another forums he has posted 2 DIFFERENT Bulk SMS services, BOTH with different telegrams. So a total of 3 different telegrams selling all Bulk SMS. Deal with caution everyone. Extreme caution. [warn]
