Thread: [\[FREE\] Discord Nitro Lifetime Method](#)

**notshyer** - August 25, 2021, 8:52 am

Hello yall first thread here.

Before I say anything you need discord nitro for this method, but I promise it's worth it!

It has a whole guide on how to do this method correctly, but keep in mind it may not work, also this is a recent method it's not saturated or patched, it's functional!

Post a reply and I will DM you the link for it so you don't have to purchase with your bytes!

So you got the link without posting, you got the link without being able to send messages ? MP Omni to get a reward because I guess you found an exploit on HF.

Neg rep for both of those accounts, which are probably the same person.

**geraRdo** - August 27, 2021, 2:34 am

Wondering if this could be working
