Thread: [EWHORE SHOUTOUTS! 100k+ WEEKLY!](#)

loli666 - August 26, 2021, 6:15 am

I own multiple retweet groups with real sex working girls.

I also own multiple NSFW stat pages, all accounts with over 25K followers and a combined analytics of 10 million+ impressions a month.

I have changed the lives of multiple girls, from being TOP 50% to TOP 1% of Onlyfans.

REQUIRMENTS:

- Twitter account
- Verified Onlyfans account
- It's better if you're a real girl, not not necessarily required.

I WILL NOT ALLOW:

- Scamming of my girl's subscribers
- Selling content without Onlyfans
- Use of saturated packs

Basic Shoutout \$100

- RT from all NSFW accounts (3 total)
- 24 Hours of RT (during this time, no other content will be posted)

Overkill Shoutout \$250

- RT from all NSFW accounts (3 total)
- 24 Hours of RT (during this time, no other content will be posted)
- Content RT from real 30+ girls(all above 20% OF) across multiple groups

Offering 50% vouch shoutouts.

Please do not message me about anything other than my post.

I will not explain the logistics of stat pages or RT groups.

I have a few OF partners I'd be interested in leveraging this with. Is there a package above the overkill we could work out that is more on-going?

Bought this, awaiting for next round then will write a detailed vouch of how this service went!

Still waiting timezones suck

Don't deal with this person, communication unclear and cant even refund the litecoin I sent her. I send a picture and a copy paste of my adress. yet failed to refund me. She sent a picture of a litecoin refund but it is faked because it didn't show my address at all..
