Thread: [--- LET ITRADE SELL YOUR PRODUCTS TO MAXIMIZE SALES -- iBOOST](#)

iTrade - August 29, 2021, 2:43 pm

iTrades's iBoost Service

Hello. I am in search of members of the HF community who are struggling to promote/market their products or programs. If you take a look at some of my threads I have a few different products/services on HF and just got approved for VENDOR status so will be able to sell products INSTANTLY via BTC through an external website.

What I would love to sell and would put some good effort into:

- Botnet's
- RAT's
- General Hacking tools
- Automated Programs to do a specific task
- Server Hosting
- Web Hosting
- Mining Programs
- Android RAT/NET
- and many more...

My Rate of selling your product is 35% me 65% you for the profits on my sales. Sounds steep, but it won't be when we do it correctly and maximize your products potential with my service.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP

(Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
