Guyindreams - August 31, 2021, 3:21 pm

Hello everyone that reads this, I am Guyindreams if you guys did i know but go by just Dream.

Let me tell you guys a story about how i came up with this amazing username that I have used for the past 10 years.

I wanted all the chicks and i wanted them to all dream of me so I decided I would be the guy in every girl's dreams.

SHEEEEEEEEEEEEEESH ?

I got my heart broken many times growing up and now I am just a lost soul looking for fellow lost souls to befriend.

I am a gamer forever and always. Gamer since 2005. Been playing games such as BDO, Minecraft, FFXIV, and League of Legends. (Currently Bronze 2)

If anyone wants to chill or hangout and game together I am totally down. I kinda suck though but I can make you laugh. ?

There was a quote that I used to live by. It was "Once in a while someone amazing comes along, and here I am."

Anyways It was nice telling my story. If there are any questions feel free to hit me up and ask away.

If i made you laugh, why are you laughing at my life ?

If i didn't make you laugh, we can't be friends. Sorry not Sorry ?

Just Kidding Homies. It's nice to meet everyone and I hope we can all be buddy buddy like my butt cheeks ?
