Roytoy - September 1, 2021, 9:01 am

As a Youtuber myself, I'm very interested in hearing you guys' opinions.

What are some cool #shorts Youtube channels out there that you keep finding yourself binge watching?

I dont watch shorts intentionally. I noticed that I get recommendations about random tiktok compilations on youtube shorts mostly about women doing challenges.

That's pretty interesting. I wonder if other people subscribe to channels to watch shorts.

#shorts channels are blowing up but super unmonetizable - thinking of ways to monetize them honestly.

Is YouTube giving people any decent money for making this shit? I dunno I watched a bunch of compliations of tiktok true crime shorts on YouTube. Guess that doesn't make them YouTube shorts though? I dunno.

I just watch whatever pops up. I found myself in some concert shorts in the mosh pitsnof a festival I recently went to, look up "welcome to rockville 2022 moshpit" and I'm some of the videos (especially then spiritbox moshpit) you'll see me wearing all pink with a pink tutu waving a mosh pit flag lol.

Ummm joe rogans are sometimes interesting

A year after I made this thread I'd like to say that I made some pretty successful shorts, some gaining over 15m views. However I'd also like to say that the pay is incredibly low and for many not worth it. For about 15m views I got \$40.

I watch a lot of those hip hop shorts where snoop dogg or tupac or any OG rapper are in an interview and then says something witty and still DRE starts. Hard to explain but I'm sure you've seen it.
