Thread: [If you don't play Star Citizen but have stuff, I can take it off your hands!](#)

I play SC daily, I know that there are a lot of people who have left the game or got a account/pledge and have no use for it. I would be grateful to take them off your hands! Feel free to message me.

I bought the most expensive package back in 2016 and never played the game as it was too complicated. Dont even really remember what it came with or anything.

When I log in on the site it says I have 5,000 UEC, not sure where else to check to see what the account has.

Actually, after checking my hanger it seems like I have a decent amount of stuff.

- PACKAGE - MUSTANG ALPHA SC STARTER - HOLIDAY WARBOND EDITION (Mustang Alpha and 5 items)
- CHRISTMAS REWARD 2016!
- EPOCH SOCIETY T-SHIRT
- 200 MILLION COMMEMORATIVE COIN
- DRAKE CATERPILLAR STATUE
- STAR CITIZEN BIRTHDAY GOODIES PACK
- 300 MILLION REWARD (300M Commemorative S-38 'One Empire' Pistol)
- 2950 BIS CARRACK HELMET (Venture Helmet Carrack Edition)

Also have 1 buy-back opportunity for the pledge whatever that does. I assume to change the package I originally bought?

Everything but the MUSTANG ALPHA is free if you have had a account for the events, Does the Mustang have a "Gift" button like this?

It really is, check out some YouTube videos on it, If you are going to buy it it would be cool if you could use my Ref code <https://robertsspaceindustries.com/enlist?referral=STAR-MRK9-46FC> it gives me a point towards some free in game flare and also gives you 5,000 UAC (the main money in the Star Citizen Universe)

Let me know if you get in the game! My handle is Economos
