Thread: [Looking for a Logo/Menu/Business Cards for a Restaurant](#)

Creativo - September 8, 2021, 3:25 pm

Hey guys, so a friend of mine is opening up a restaurant pretty soon, We are looking for someone to create an original logo, design the menus and the business cards for it.

Please link me to your previous work, If you have done menus that would be great aswell. I will choose the best value for the right price! Thanks.

Hey, good morning.

I see you're looking graphic designer for your friend's restaurant. if you're still doing so please let me know so we can talk more. I can show samples of my logos, menu, and business cards.
