Thread: [It's-a-me, a poor reference user](#)

_Misery - September 10, 2021, 2:48 pm

Alrighty, I've been here for a while but haven't really intro'd myself. I'll keep it short though.

I'm _Misery, and contrary to the name I'm not miserable.

26 years of age at time of writing, one kid and happily married. Been a lurker until now but planning to be more active on a daily basis.

Good to be here, thanks for having me.
