Goes straight to spam but not bad for a freebie! Thanks

ELTMM - December 12, 2021, 8:55 pm

is this still working btw

HEISENPUG - December 14, 2021, 6:30 am

I've tried this before and it doesn't work sadly.

There is a new free mailer online. I am actually the developer.

Checkout <https://naisend.com>

Far better than anything you have ever used before. A lot of features you will be amazed is even possible to do.

I need help to do Youtube videos. PM me if you can help medo videos, My spoken English accent is not to easy to understand.
