ELITE BUSTABIT MENTORSHIP

I will be releasing my personal bustabit gambling method today. Firstly I want to mention, after optimizing this method to my needs I've been able to earn well over \$20,000 in just 2 months from this site alone. I have completely cut off sports betting and every other form of gambling because it is all being used for this method now. By using my method you will be able to effectively minimize all risk and maximize your opportunity to profit. Through various mathematical models and tests I have been able to optimize the method to its best possible form. Now I will be offering the method to a few select members to take advantage of.

This method is NOT a script and you will have to manually execute the method. For this reason each member will receive a full walk through of the method and will also receive 1 bustabit mentoring session for 30 minutes. After this you will be able to confidently use this method to your advantage.

Features:

Elite Bustabit Method

1-to-1 Explanation

30 Minute Mentor Session

ANY MEMBER THAT FAILS TO EARN WITH THE METHOD WILL RECEIVE A FULL REFUND

Price: \$250

If you're really looking for a solid method to start profiting quick with, then this is it right here. I know many of you enjoy to gamble but end up losing money because you're lacking a true solid strategy. My method puts all the guessing and hardwork aside so that you can focus on what's important, profit profit profit!

Currently only offering 1 or 2 discounted copies but I may consider offering a vouch copy too. Appreciate it!

I'd be up for giving this a go. Send me your profits and more proof.

For sure. Since the method is manual I can't link my bustabit profile(s) specifically since it will leak the method partially. But simply add me on discord and I will show you my earning proofs.

Can't speak much on this because the method is manual but I can say that this method and my 2 months of large success isn't just a coincidence. This took a lot of re-strategizing and optimizing to get the perfect overall strategy. Feel free to contact me on HF or discord for more info and in-depth earnings proof.

Why did you made 20k in 2 months and sell this method \$120 ? Why you don't just use it and make money ?

1. I still use it to make money
2. The method can never be saturated
3. Nothing wrong with having an extra income stream - regardless of how much income it is bringing
4. My experience + 30 minutes of my time for \$120 is very fair for a discounted copy

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Added, provided you with the strategy and have scheduled a mentoring session.

That was the final discounted copy. I will now be raising the method price to a more suitable level (\$250).

jmacmillian - September 16, 2021, 8:35 pm

So you're saying you beat the casino? If your method works, why don't you all in?

All-in would be going against the strategy. But to answer your question I do use this method still, read the thread.

JuiceBoxCereal - September 22, 2021, 10:12 pm

Waiting for more reviews. There's just one so I don't see it being worth the risk to send you \$250.

jmacmillian - September 23, 2021, 11:53 am

Never delivered on the mentoring have screenshots
