Lyrlei - September 13, 2021, 8:25 pm

I haven't eaten at around those times in a long while, but I remember eating at a local pizza restaurant here near the beach maybe around 5 years ago back when I was still in college.

J???? - September 13, 2021, 8:26 pm

If it's after 10 (and especially if I've been drinking/partying) it has to be wafflehouse. Point blank period.

This.

The boys n I would always fuck around at waffle crib after a night of partying at a bonfire.

Denny's burgers smack too.

Taco Bell is dank if it's made right, and the employees are always lit AF

Jack in the box in some fire too.

I wish the workers here made KFC good. They are lazy as shit and half the time I can see the bone instead of golden fried chicken. Or the skin is already falling off and dry as sand.

KFC is fucking amazing here in Australia. I went to the states a few years ago and honestly, I nearly threw up when I had KFC Chicken there. Its like two completely different recipes and qualities of chicken.

See that's what I'm talking about! The KFC in China is also way different than the stinking shit the serve at USA KFC. Weird u would think it's the opposite way around right?

Del Taco

It's the freshest fast food tex-mex.

Suggest the regular Hard Shell Del Taco. Here they are \$1.29 each I believe and you just need 2-3 of them. Crunchy, lots of cheese, and meat isn't greasy. I like to add a packet of medium hot sauce too.

Bluffer - September 14, 2021, 4:58 pm

Well I do not eat after 8PM most nights but if I'm drinking with friends and we are hungry, McDonalds is the best.

Canadian McDonalds is a bit better quality than American, I'm told.

Same here bro it our restaurant to go or for delivery for it's the only restaurant open 24hours daily ???

HOMODIN - October 4, 2021, 11:51 pm

Who goes out for dinner that late? -like really...the only reason to eat that late is to reduce the potential hangover effects or because of the munchies :D

For hangover/drunken food I always try to find the greasiest grill or something like that...or then Burger King if there's one that is open nearby which almost never happens :/

That's the downside to where we're living now... after 10pm your options here are very, very limited.

Out of all of the bars in town, only one runs their kitchen past 10pm. And aside from them, the other choices are only fast food- be it McDonalds, Dominos, etc. Nothing to write home about.

But, that bar I mentioned, fortunately, is very, very good. The wife and I will go there for no other reason than just to eat (though that inevitably means we stay and drink, lol). So that's my favorite late night restaurant to go to here.

That's a very different change of pace from when we were living in the bay area in CA. There were more choices for late night restaurants (real restaurants, not just fast food and bars) than we could ever hope to try.

I never like pizza fast food chains. (I worked for them for 4 years so i ate a shit ton of pizza's). But after 10PM i like NewYork Pizza (Dutch company that's basically Dominos +1.) Their pizza's are a little bit better and they have some awesome side items.

Dripstur - October 26, 2021, 11:20 pm

I mean pretty much only thing open is McDonald's or jack in the box. I'll take either after 10

fenompls - October 26, 2021, 11:53 pm

If you're feeling really ballsy, go to 7-11 and get a quarter-pounder.

McDonald's is always a good easy option.

Ninja - October 30, 2021, 5:59 am

That would either be pizza or Mcdonalds.

Sayid - October 30, 2021, 6:02 am

Like everyone else has already said, McDonalds, its one of the only things open near me at that hour

??? - October 30, 2021, 5:21 pm

Chilis 3 for 10 just hits different.

isai - October 30, 2021, 5:23 pm

not much near me stays open that late besides macdonalds

Ivex - October 31, 2021, 2:15 pm

McDonalds during a late night drive has to be the best post-10pm food for me.
