Thread: [could jake paul beat john jones?](#)

dsadasf - September 15, 2021, 8:25 am

could jake paul beat john jones in a street fight?

jake paul and his brother are deadly warriors they beat the best athletes like floyd and tyron woodely

could someone like john jones stop this people?

I--I - September 15, 2021, 8:47 am

Damn is this the same troll that says we have no life for posting on Hack Forums?

Do you even know what weight divisions are?

read here:

<https://www.britannica.com/topic/chosen-people>

Chosen people, the Jewish people.

74% of israel are jews.

yes stright up i think he could

ailo - September 15, 2021, 12:03 pm

Possibly, he's well trained and pretty strong.
