Thread: [E-Book/Method Resell Rights](#)

DigiProfits - September 16, 2021, 9:53 am

Hello everyone,

I am buying resell rights of a method/ebook you wrote. It has to be related to making money. Please don't contact me if you don't have a paid rank and a high quality method, I will check it before actually sending any money. I am not buying public stuff.

I am willing to pay something in this range: \$50 - \$200+.

You can either convo me or add me on Discord DigiProfits#3119

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

If you're looking for resell rights on a genuinely solid method then you're going to have to open your wallet a lot wider. Unique methods can go for a lot higher per sale.
