Thread: [E-Commerce Websites/Shops with current costumers](#)

**Creativo** - September 17, 2021, 11:16 am

Hey guys, I currently own a couple dropshipping websites that im thinking of selling because I have a big project that Im starting and would like to dedicate myself 100% to it.

The websites are fully set up and have sales pretty much everyday (These are full websites, Not Shopify)

Net profit are somewhere between 300-1K USD per month.

I will be giving full access to the websites as well as access to my providers for the merch that you will be selling.

Prices range from 800-3k USD.

ROI is 2-3 months.

Feel free to send me a convo for more info.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
