Thread: [need telegram group ban service](#)

hypehaven - September 17, 2021, 5:21 pm

looking for a service that can perma-ban/ takedown a telegram group, very valid reason - not just a random hit. hmu

Deep Impact - September 17, 2021, 5:22 pm

watch out for scammers who say they can do this.

yes, it's a group that is impersonating a company and scamming people through a fake giveaway (have screenshots). It has 9400 members but almost all of them are botted.

Bumping this - still in need, to many scammers.

hypehaven - September 19, 2021, 3:32 pm

bumping still in need of this service

hypehaven - September 22, 2021, 3:26 pm

still looking for this service, lmk ty
