Thread: [\[EASY\] Earn crypto every day - Free & Unique\[SEMI-AUTO PILOT\]](#)

LEGENDAVIE - September 22, 2021, 8:51 pm

Once you get started it's pretty easy to start earning some decent crypto. You will have to make decisions but I will include a general guide while sending you the links that will show you the basic stuff you have to do once you're signed up.

It takes 15 minutes a day to do and then it's mostly done by itself. You can do this in your spare time for some easy cash.

NO MINING INVOLVED.
