Thread: [Are you good or bad guy](#)

rioanrioman - September 23, 2021, 9:13 pm

I got the believes that some people are sadistic. not all tho.

Some do. Are you?

Do you enjoy the pain of others? or you compassionate about it?

I can only be sadistic for people who did wrong with me. i love the revenge these mfs.

for good people i wish the best for them.

I-I - September 23, 2021, 10:14 pm

I'm very nice to others, and I'm a piece of shit to myself. I don't think I'm good at all, but I don't think I'm that bad in comparison to others. I use my blinker

Guap - September 23, 2021, 11:01 pm

I like to think I am a good person, and I definitely exhibit those properties on the daily.

But I have done bad things as well, so who can really be the judge.

It all depends on the situation and the person. as far as my case is concerned i have not been on the wrong end.

I'm definitely not a bad guy. I have a good heart and generally want good things for everybody.

BrainX Labs - September 24, 2021, 6:51 am

I am sadistic some times in sex. I enjoy BDSM and love to dominate my girls during sex. But this doesn't make me bad as it's purely with her consent.

I got it. I also used to catch girls from the neck.

L1I DuRk - September 24, 2021, 8:10 am

I'm a real OG, I don't enjoy seeing people suffer that if they are good people to me. So I will say I'm a nice guy.

OBAMASELF - September 24, 2021, 9:40 am

I say I am the most innocent and nice person you can ever meet period.

That's pretty common. You should watch 50 shades to understand what I want to say.

This is like something a 5-year-old would ask you.

handres2018 - September 25, 2021, 2:30 pm

I don't really like seeing other people in pain.

blackrose_x0x0 - September 25, 2021, 2:46 pm

I would consider myself a good person but I've done both good and bad things in my life to others and myself. I may be a good person in some peoples eyes but evil in others. I strive to do better and constantly improve myself. I always want to protect others who are close to me and rarely wish harm or any kind of revenge on people.

Deff agree, iv done some questionable things but the goal is to learn from it and have good intentions at the end of the day.

Blockonome - September 25, 2021, 6:09 pm

I am not going to lie, I am usually a good guy, however, I do have some bad in me too, in a real bad way.

I just went through a real life situation few days back. Keeping that in mind, I will try to answer more serious than before.

Nothing is absolute in life. It's just the perceptions of any person that makes people be in a category

of good or bad.

It's situation, not the person who use to be good or bad.

reb666 - September 28, 2021, 6:09 am

Good person in a bad society. Daily abused by others and still wishing them all goodness I can provide.

Kaiba Corp - October 4, 2021, 6:58 am

If I learned anything from life is that things are never black and white but all gray. So even the kindest person will take pleasure in fixing scores.

Grim - October 4, 2021, 7:07 am

Good guy but sometimes I do bad things :)

Beherit - October 4, 2021, 8:15 am

I've learned there's no point in keeping a grudge against people. That hatred just swells and makes you unstable.

Are you Lelouch from Code Geass?

That's a well written character in my opinion.

Cap - October 4, 2021, 3:59 pm

I like to think I'm a decent guy. I always try to look out for others and do what's best. I'll always support my wife and son 100% and do whatever it takes to make sure they're okay.

I wish I'd learned that a long time ago. I only finally grasped that recently. It took the person I loved most dying to make me shrug away any grudge in the face of that tremendous loss.

Chrisy - October 4, 2021, 4:36 pm

Nah, I don't hold grudges, unless it was something to do with my family or something then possibly

clean - October 4, 2021, 4:37 pm

I find myself caring for other people more than I do myself. I'm hard on myself for past youth mistakes, but I feel my feelings realistically so that's turned me into who I am today.

Blazin - October 4, 2021, 5:08 pm

I'm a good guy, I keep to myself and mostly try to stay out of peoples business.

radicalxfrosty - October 10, 2021, 3:57 am

People who threat me normal, will enjoy talking with me.

People that want to fuck with me, makes me a bad guy. It's really simple.

Telstra - October 10, 2021, 3:58 am

I'm a bad dude I make inappropriate jokes and find happiness form others misfortune in the form of humour.

The Pact - October 10, 2021, 4:13 am

As far as being sadistic goes in the OPs post I guess by his definition I'm a good person because I hate sadism and I'm not sadistic although I was a somewhat vengeful person for much of my life unfortunately because of getting butthurt when my ego was severely dented. After losing my soul mate, spouse life partner to sudden death it somehow woke me up to how stupid spending time on revenge plots are. I finally grew up. But I guess I'm not entirely a good person I hoard money and take it however I can because one of my two kids is disabled and that makes me money grubbing.
