we had a contract in which he will provide me Ewhore traffic to my snap + mentoring of Ew traffic 30k/day + SE skills mentoring.

Never gave me the Traffic

never mentor me fully about the method . He said he is getting 5k traffic a day and i was hardly managing the 200 LQ adds . When i started asking things like how to do it what to do , what to put in there , he just gave his screenshot . I tried to replicate his method by watching his screenshot . But i wasn't getting that amount of traffic so i started asking what i am doing probably wrong , tried to ask his suggestion etc . I showed him that i replicated this method but still aint getting enough adds . Now he started blaming me that i copied his method or something lol i mean he never told me not to copy .

Then he started doing childish stuff , he just blocked from discord , after 1 hr he unblocked me . then i started begging that please help with the method , again he blocked me . He blocked me 4-5 times during conversation on discord . He made me beg .

After that he started asking to vouch on his thread or he will not give the full method. If i paid for something he has no rights to ask me for fake vouch .

He even abused me on HF , He blocked me from his sever too and never added me again.

If you have proof of him making his money back then surely you'll have no problem posting that! ?

sending screenshot of my earning on his server doesn't mean i made it from his method. Even i made few buck doesn't mean he gave me full method . He himself said on screenshot that he will give me full method after vouch . i ve been doing [BRAND NAME REMOVED] , reddit etc !

You haven't posted anything but a load of what seems like BS. He isn't harassing you if you made a contract for something you are avoiding providing to him, he is requesting what he deserves. You seem like just another low-life money grabber. The money you could make easily by actually going to work.

Mr. Fantastic - September 26, 2021, 2:08 pm

As i said even i made few buck with that dosent mean you gave full mentoring . You started threatening me that DO THE VOUCH AND I WILL TELL YOU FULL METHOD

I UPLOADED 6 PICS AND 2 VIDS TO THIS DROPBOX

https://www.dropbox.com/sh/x6ay277wcripfol/AADx_0Hmxbcta2_nuHN3YxDLa?dl=0

also it doesn't s ay how long i mentor u + I TEXTED HIM FOR 2 WEEKS! 7+ DAYS OF MENTORING

he made 200 adds in a hour if u do that math 200×24 that's 4800 adds a day. YOU DO THE MATH!

ALSO if this man made 400\$ in 2 days that's 12k a month DO THE MATH!!!!

OK FIRST OFF I TOLD THIS MAN HOW TO GET 2K ADDS WITH 7\$

and also how to get 1k+ adds a day as it says in the contract 30k a month just to make that clear.

he made twice his money back will finish this more but i gave him full method and will be showing proof he was getting adds and over 300\$\$ from one of my adds

also gave him tips and mentoring was willing to finish but then he threaten me if i didn't give him all my information he will dispute so i blocked Him will show full discord conversation.

i repeatedly told him what to do 4 times as u can see in the conversations hes calling my adds lq when he made 300\$ off one person and 80\$ off another in 2 days

and then he asked the same questions over over knowing i told him what to do already as u can see i literally gave him the same information twice. as u can see his response time wasn't there so obviously i cant respond if he's not active. gave him a completely unsaturated method and then u broke my tos rules and guidelines in my contract if u c lean read it says specially not to copy or resell what i'm doing and he did. also he wanted more mentoring from which i gave him which i give my other people which all of them gave me positive feed back honestly ur just a leech and u just extra stuff for free which we didn't agree to that u didn't pay for i also gave u 100\$ off my method.

PS I BLOCKED U BECAUSE OF THIS

SO 2 WEEKS ISNT ENOUGH???

I ALREADY GAVE YOU FULL MENTORING SO WHAT ARE YOU CRYING ABOUT

The fact he got annoyed at you copying a bio gives the impression that they aren't that much of a mature seller, and the fact he blocked you over and over, while asking for a vouch when you clearly aren't happy with the product is both sad, and a fair note that he probably would of stopped replying once you vouched, since they want positive reviews and many people simply exchange that for help.

also

That shit was funny lol.

Until he posts in response, I don't see any sort of flaw in your dispute, unless shown otherwise

To be fair bud, you sold a service and you have failed to uphold your end from the evidence shown besides from your because as Incog said, I'm also not making an account to look at your evidence.

Secondly you should work on making professional replies and actually applying some effort to them. I don't know why you wouldn't just refund and part ways, or give him the full method.

You can def work things out, He's mentored me and has helped me whenever I needed the help. I'm sure he'll invite you to the discord and I can even help you some if you'd like. On the case of the traffic I'm not getting into that but if you want to work things out arguing is not the best way.

killmenow i already posted it slow poke??

OP blocked me on discord when I asked for the 30K traffic method (I was able to pay)

Important note : he know that I'm vouched, legit & reputed [BRAND NAME REMOVED] / dating traffic provider, that's why he refused to sell me the method.

30K/adds a day is litterally impossible if you dont have a strong team working for you and I certify it. if you are alone, you can do about 1K adds, and trust me, it's full day work.

So I suggest you to refund Mr. Fantastic, and stop selling lies to clients.

Even 5K daily, its an huge promise, do you really think I'll pay for a method that dont works regarding the dispute ??

Look, everyone is a witness here: I offer you to give me a vouche copy (with contract) and I'll leave my honest review. I already did that for a [BRAND NAME REMOVED] method.
