Thread: [11 Years on Hackforums](#)

Zeus - September 26, 2021, 2:19 pm

This week i am celebrating my 11 years on HF, can't believe time has flown by so quick.
Glad to still be here with the OG's who have stuck around and are still trying keeping busy <3

Thanks to everyone all HF Staff, Admins and Owners for keeping the site moderated and updating new features etc.

And not just to them but the community overall and to what it has grown into.

Where is that 10 year award Omni?!

Trust me or award goals 1 year 5 year and 10 year and they upgrade each time. Would be pretty cool but don't think would ever happen!

A 10 year award would be so cool to have as an achievable award, that would be some true dedication by earning that type of award.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
