Excellent deal, sorry to see it go. Best of luck with sales buddy. Great price for a cartel.

[\$(5)\$] - October 4, 2021, 2:13 pm

I'm surprised no one has snagged this yet

Hard to sell anything just look at all the groups for sale rn

(Oct 4, 2021 05:29 PM)Demize Wrote: [\[CITE\]](#) No one wants crews otherwise they'd b selling, same with groups. Hate to break it to ya but groups used o sell for over 10k do I see anyone paying 10k for one no, but the 7k for mean girls ain't a bad price. 5k is about average imo. But 1k for a crew where you only can change the userbar ain't really worth it either. Just gotta hope someone comes along with \$\$ that wants one. Which unfortunately doesn't seem to be what's going around on here lately. Shits sad tbh miss the old days.

Hence why i had Omni delete the Goons cartel.

I'm not going to have a crew sitting on the list for months selling for 1K (The same price i bought it for) and never be sold.

So to make a point i had Omni delete it and take a loos of 1K

Just a drop in the bucket for me.

However Crew/group owners will always think they can re-coup there investments.

Sometimes yes? However in most cases they must take a loss at a reduced price.

The market is what it is, It's only what the the buyer is willing to pay and in most cases it's not the asking price.

I much rather delete a group/crew and take the loss in funds than sit on a forum bumping my thread every hour.

I have more important things to do.

true but you get almost everything except a subforum with a crew same as a group for way cheaper which is imo what makes crews much more appealing to people looking for that price range.

That is unfortunate i would have just kept it because you never know if you wanna use it later for something else?

Hopefully you find someone to purchase man.

If you're looking at running your own crew, you should get the cartel.

Agree. The extra 10 members is a lot when you start building that community. Cartel is a great size.

Good luck with sales, Bankrupt! I still kick myself every day for not getting a crew when they were 100k haha. Looking back 100k was soo cheap. >_>

Yeah that's so cheap!

But this is a great deal on a Cartel at today's prices, and with what bytes are going for still right now!

True I guess. I'd be happy with a syndicate though personally.

Just depends on what size crew you'd want to grow too. Honestly, I think Crews are GREAT for those who are denied Group membership. I.e a newer member that hasn't built up a reputation of any sort on the forum, that can afford to own a group and gets denied... but can buy a Cartel that still allows them to have a decent size community of their own within HF w/out approval.

Honestly, I'd just want it to have my own custom userbar ?

Bankrupt - November 7, 2021, 12:53 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Why would you have it deleted though? Why not just keep it?
