Thread: [I ate an All-American Hot Dog from Sonic and instantly felt brain + heart ache](#)

It's weird, i literally felt instantly dumber and got a headache + heart burn after I took a few bites out of that hot dog. Not even joking, it felt just like someone hit me in the head and my IQ dropped 5 points. The OceanWater was good tho :p

Yeah sounds about right to be honest. IQ will drop quick when you're slamming those bad boys.

Yeah ikr I will NEVER consume food from there again. Only drinks

I've had Sonic once in my life about 10 years ago and it also made me sick, I still remember how awful I felt the rest of the day. Wasn't a hot dog though, it was some breakfast burrito thing.

As for hot dogs, eh I like them every now and then, mostly in the summer. Nathan's hot dogs in NYC are the best.

Sounds about right haha

But yeah I would only go to Sonic's just for the desserts and the drinks, they have some fantastic original drinks especially during the summer. IIRC the fries weren't bad but everything else is pretty subpar.

bk randy - September 28, 2021, 10:31 am

I don't even like their drinks man, they're way too sweet, their nerds slushie has like 4 boxes of nerds in it n you just drink a bunch of nerds n sugar.

The only thing good about sonic is the car meets and how they serve the food outside.

HOMODIN - September 28, 2021, 10:35 am

I hope that you at least got a shotgun or something with that tho as an extra added bonus or something :D

Dopamine - September 28, 2021, 6:16 pm

Hot dogs are literally garbage food anyway.

Chrisy - October 2, 2021, 6:40 am

Beherit - October 2, 2021, 6:41 am

This is exactly why I haven't had fast food in over two years.

Yep haha. If the name of the hot dog wasn't a giveaway the quality might have been too :)

Grammar Rays - October 2, 2021, 6:52 am

What is a hot dog actually made out of and why do we eat them without knowing the contents? :D

Fair enough lol, I really want to go back to America again soon, i used to go several times a year when I was young, Disneyland etc, my mum and dad had friends they made from Florida one day when we were over so we used to go over and stay with them, they lived right beside a river, it was at the back of their house, we went out on their boat, was quite cool.

Anyways off track, I want to go back and try the food!

Sky - October 2, 2021, 6:54 am

Anything that gets slid into an intestine is sus to me.

That's really cool man. I live in NC so no Disneyland, but we do have Carowinds which is pretty solid if you ever want to relive those years!

Junkfood is always gonna impact negatively your body. The fact that you felt that might be your body telling you something.
