Thread: [Seeking a cpa partner i can get 1k+ reddit adds a day \(adult traffic\)](#)

lol123rfmf - October 1, 2021, 1:05 pm

I am botting reddit and i am currently getting up to 1k adds a day (adult traffic) and i am planning on scaling it.

Im not that good at cpa so im looking for an experienced cpa partner who are down for a 50/50 split

Also if u have any other way of monetizing reddit adult traffic i am very down to do that too i just need to make some profits of these adds

Cyam - October 1, 2021, 1:06 pm

Adds on Snapchat? If yes, CPA is worst way to monetize.

You're better off just straight up eWhoring the dudes

Are you willing to promote a real OnlyFans model instead of CPA? If so, I can help you.

Are you using multiple Reddit accounts or just 1 big one with a lot of karma? If multiple how many accounts do you run?

Born2Help - October 2, 2021, 4:07 am

Work on 2 snapchat acc, one with ewhoring and another for CPA.. see what brings most money. :)

ChatCPA.com have everything you need to monetise this traffic.

Their OnlyFans/Private-Snap style landers convert social traffic better than anything!

poopymcfly - October 25, 2021, 11:44 pm

Do you do shoutouts on Snapchat ??

Ambunbunmew - October 27, 2021, 8:49 pm

I can do chatting for you kitty#7659 . Cpa would be way less profitable , worked about 2-3 years ago well for Reddit but now your better off doing ewhoring .

We could work with webcam modeling but I need traffic and I think we would earn more.

Unstable - November 27, 2021, 12:22 am

If you still looking for chatter I'm down. I've been working with reddit traffic for over two years doing ewhoring. Feel free to add my discord and ask for proof of earnings

hey, are you still having this result? I guess dm me please

Stepdad - April 21, 2022, 10:20 am

Everyone saying that Adult CPA is dead -- not if you know how to convert quickly and convert often. Especially targeting certain demographics that can't access the typical Adult CPA offers (webcam

sites, dating sites, etc.) I was making \$6k/mo at my peak with mobile CPA geared towards an adult theme.

If you can automate the ewhoring, that'll definitely be greater profit though.

Neksi - April 24, 2022, 6:40 pm

You're better off chatting or promoting an OnlyFans page. Redditors are too tech savvy to do convert well on CPA offers.

Let's talk somewhere private?
