False King - October 1, 2021, 1:32 pm

Honestly, this was an awesome day. This week was shit for me, but you all have been able to lift my spirits. This day was a lot of fun. I might be popping up a few more times, but you guys actually got me happy enough again to get out of my home and go for a few drinks.

[Demize](#) and [flavoral](#) - I wonder which one of you will be the first to get the Award.
[mention=2774521] and [grainy](#) - Can't wait to match up with you guys in the next trivia <3
[Sky](#) and [Cap](#) - Great stuff with the Trivia. So much fun. Awesome.
[Cooligan](#) - I expect to be promoted again once the 24 hours have expired.

Stay HQ, guys.

Sad news is I lost a bunch of my questions. I still have some for tonight, but I'm currently re-writing some that I could remember and actively making new ones right now.
