Alright, I really want to join in on this. I feel very stupid, but I don't fully understand how to register for the tournament. The contract in the linked thread also is coupled to a junked thread?

That's what happens when you're too lazy to create new contract templates hahaha.

Just start a direct contract with him with the terms he specified. 20k bytes for FATE poker chips or whatever.

Dripstur - October 6, 2021, 1:14 pm

Count me in if you can set up the contract and I'll send over the bytes.

Zeus - October 7, 2021, 9:19 am
