Thread: [My FIRST NFT!! --- SMOKING HAUNTER](#)

c4sper112 - October 11, 2021, 11:39 am

Hey wassup yall, I know some of you love NFT's!!

Up for offer this awesome digital artwork created by my friend..

<https://opensea.io/assets/0x495f947276749ce646f68ac8c248420045cb7b5e/5064939196741757036923168068084916410352731008338160806702069395200183107585>

If you support us, we can drop more NFT's in the future, but you can be sure none will ever be the FIRST again!

You can also support by sharing, in which case you will earn some bytes ;)

Cool artwork, brings a bit of nostalgia :)

Is that a cig in his mouth?

I wonder if the Pokemon company will try to dmca things in the NFT space.

wyvn - October 22, 2021, 1:43 am

picture itself looks pretty low quality overall

design is cool tho, hope u flip it for \$800000000

Good to hear!

I wanna try making my own NFT, but I'm too hesitant because I know that graphic rights are bothersome to manage.

I know some companies already started considering taking legal actions against multiple drops using their copyrighted materials.
