## Frequently Asked Questions

Q: How many adds will I get?

A: The account will be delivered with 250 accepted adds minimum. The [BRAND NAME REMOVED] traffic will still run, so you will get more adds along the way.

Q: What payments methods do you accept?

A: Currently we accept cryptocurrency only. The accepted cryptos are BTC, ETH, LTC, USDT (TRC-20).

Q: How can I purchase?

A: Simply start a contract and send the funds to the address mentioned in the contract. Then, mark the contract as completed and add the TXID of the transaction so I'd know you sent the money.

Q: When will I receive the account?

A: 1-12 hours after purchasing - 12 hours maximum.

Q: I have more questions! How can I contact you?

A: Feel free to contact me on Discord: Dandi#3591. You can also contact me on Telegram: @Activate7.

#### Terms of Service

Spoiler ([Click to View](#))

1. All sales are final and no refunds will be given, unless we fail to fulfill your order 12 hours after placing it.
2. We guarantee you'll get 250 adds to your account, however, we cannot guarantee you'll get a specific amount of additional adds after purchasing.
3. Leaving negative b-rating will result in a ban from our traffic service.
4. If you're unable to make your money back, improve your skills, learn from your mistakes and try again. Blaming us for your failure to get a decent ROI will not change anything and you'll not receive a refund. Instead, you'll receive a negative b-rating for doing bad business. We've been traffic providers for more than 3 years and we have hundreds of vouches on our Discord server. We make our clients thousands and they're very satisfied with our service.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,  
Stanley
