Get any one Random Game for Free

About the Offer:

Gamivo offers clearance sales for a limited time. That means you will get any one of the games from the list below or other than the list for free.

Possible Games:

Code Planets Under Attack
Chicken Shoot Gold
Ancient Dino Runner
Yoshimitsu Hatsumi
The guard of dungeon
Defence to death
Target speed
ShipLord
Asteroid Bounty Hunter
Mermaid Adventures: The Frozen Time
Forgotten Faces
Eron
Memories of a Vagabond
The Next Door
Any other Games...

How to Claim?

1. You need a VPN. Set it to United Kingdom IP. (I tried with the UK one. If it asked for a phone number, change the country to other and try again.)

2. Go to the following link and log in:

3. Click buy now, go to checkout and stay in the United Kingdom.

4. You will receive a code!

5. Go to the Steam app and click "Add game" and paste the code you receive! Profit!
