Thanks for hosting this amazing contest.

I would like to enter for the bytes, if I am the lucky one, I am gonna give the bytes away myself as well, but during my HF Poker game launch.

I already gave you all the reps in the world, so QL is also at its place.

Best of luck everyone.

Thanks for participating. Make sure you give me max popularity if you haven't, otherwise your entry won't be valid.

Please don't respond, as I'm trying to keep posts strictly for entries ? Good luck!
