Vouch for Juicy, quick and easy purchase. I'm watching the Wizards/Raptors game as we speak and I'll be watching as many games as I can this season thanks to this! Legit as always and the warranty all season? Insane deal. I'd recommend any basketball fan to buy.

By getting 10 posts we don't mean spamming on random sales threads.

Your posts should be HQ, not LQ like this.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for

each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
