Rocket League - Demon Disc EG wheels

Get FREE Demon Disc EG wheels during the Epic Games Halloween Sale
Haunted Hallows has begun! Log-in to Rocket League on PC through the Epic Games Launcher between October 18 and November 1 and they'll be automatically added to your inventory.

Check it out:

Edit: You may not receive the wheels the very first time you run the game from the Epic Games Launcher. If this happens, play through the mandatory 1-minute tutorial, then restart the game. You should receive the wheels upon restarting.
