Thread: [Free Twitch Bits](#)

medicinalmac - October 18, 2021, 6:11 pm

Just wanted to give back to the community as I start up my own Twitch Bits service.

First 10 people to reply I'll give them each 500 bits (5\$).

Rules:

1. Have more than 20 posts.
2. Only one entry per person.
3. After the 10th comment I will be stopping this giveaway.
4. Put if you would like the code for your bits (I'll pm you the code) or the username you want it cheered to, Affiliate or Partner.

Hope you guys enjoy!. I'll be checking when I wake up to give out the bits.

I wouldn't mind being able to get a little hit off this. I'll take the bytes to my channel. Pm for it, please.
