Thread: [What's your Favorite Alcoholic Beverage?](#)

oRequiem - October 19, 2021, 3:23 pm

I've always been curious on the community's favorite alcoholic beverage, so what's yours?

Mine is pretty simple since I'm not much of a drinker.

Mine is Mike's Hard Lemonade, I love how it tastes and I'm a light weight so don't judge ?

Pikzul - October 19, 2021, 3:24 pm

Every weekend for me = Miller Lite!

shakur123 - October 19, 2021, 3:28 pm

Beer is also my fav drink, but i can also enjoy some good whisky

I think I've only had a few sips of whisky, that had to be years ago.

What kind of beer is your favorite?

TB12 - October 19, 2021, 3:29 pm

I enjoy vodka a lot mixing it with juice or sprite

When I was visiting my uncle, he mixed vodka with some type of watermelon juice.

I don't know the name of it, but it was so good. I'd give that a shot if I were you.

Mine is just Mike's Hard Lemonade, I don't drink much but that tastes the best for me. Watermelon vodka and Twisted Tea are my other top 3's.

Mike's Hard Lemonade just tastes better than both.
Vodka gets me drunk quicker than both.

Miller Lite if I'm day drinking, or drinking for prolonged periods of time.
Bourbon & coke if I'm going to the bar/club.

Prettykitty - October 19, 2021, 3:46 pm

Can't have alcohol usually but I like shoju or sake

Shirely temple is good, there's an alcoholic version

Prawnster - October 19, 2021, 3:46 pm

Depends on the occasion, if I'm having a chill drink then some sort of cider like kopperberg or some local stuff, if I'm going out clubbing n getting fucked up then vodka mixed with anything haha.

Yin Yang - October 19, 2021, 3:50 pm

That's too much sugar lol. I like light/ IPA's, but nothing too dark.

Whiskey <3 but I stopped drinking alcohol because of my religion. Before, I didn't really care...

I miss drinking alcohol :(

Pikzul - October 19, 2021, 4:11 pm

I've given my answer but seeing all the replies are some pretty damn good ones.

blackrose_x0x0 - October 19, 2021, 4:15 pm

Jameson, Elijah Craig, and Wild Turkey were my drinks of choice. Pretty much drank nothing else except those three. Was never a fan of other liquors or beer. I did like red wine though, especially a nice Cabernet.

I don't drink anymore though.

L1l DuRk - October 19, 2021, 4:27 pm

All variety of Vodka all day and night my man.

[\$(5)\$] - October 19, 2021, 4:47 pm

I rarely drink. When I do it's a wine of some sort. And if I'm feeling adventurous around the holidays, a shot or two of RumChata.

Beer or some crown Royal for me

zFacetious - October 19, 2021, 7:24 pm

I don't do much partying anymore so when I drink it is super casual with no end game of getting drunk lol

Tried everclear and some homemade stuff a friend made, feels like the devil is in your stomach, but a couple of shots and you're gone.

I heard it's really bad for your throat and stomach lining. Have you had any adverse effects?

It probably does with frequent use, but I really only get super messed up like once a year.

Does it just make you drunk faster (with less) or does it actually have a different effect on you compared to other kinds of drinks?

Drunk way faster with fewer shots. I'm a pussy when it comes to taking hella shots, I cannot do a dozen-plus vodka shots in a night, my stomach is way too weak for that.

How strong of moonshine are you taking and how many shots?

IIRC around 160-180% proof. The last time I pushed my luck and did 4 shots, felt horrible stomach pains, went to lay down, must have blacked out because I remember not being able to get comfortable, then I just woke up, fully awake, no period where I'm slightly tired, just awake. The process of laying down and waking up was a whole two frames, one of the most surreal experiences., felt like a movie.

Felt like it, was a horrible experience. So I'd definitely recommend not drinking such high proofs, or at the very least pace yourself, and don't chase the dragon.

I will stick to just regular shots for now...haha. Those have a strong enough effect on me, to be honest.

I secretly love Twisted Teas.

Huge Iced Tea fan.

NurSpec - October 31, 2021, 3:29 am

Beer for sure. Either Corona or Heineken.

Dredd - October 31, 2021, 6:27 am

I quite enjoy an IPA or Doombar now.

If I'm out out I start on the beers then top up with Double vodka cokes throughout the night.

Orb - October 31, 2021, 7:02 am

Whisky or rum mixed with coke. I recently bought a bottle of rum called 'Bumbu' and it has to be one of my favorites. Even without adding coke it tastes amazing.

Chrisy - October 31, 2021, 7:57 am

Buckfast is the national drink in Scotland, even though it's made in England lol.

It's quite sickening if you drink it all the time, if I were to choose a favourite it would be that.

I think IPA's are very sickening in excess, I could maybe have one or two max
