Thread: [Explain Bitcoin in 1 sentence.](#)

Net - October 20, 2021, 2:03 am

Have a small challenge for you people. I want you to explain Bitcoin in 1 sentence to an ordinary person who has never heard about Bitcoin.

Goku - October 20, 2021, 2:13 am

Technology that relies on a decentralized way of transactions.

SIM-1866423 - October 20, 2021, 2:21 am

Same as bank systems but decentralized.

skull - October 20, 2021, 2:25 am

Would it be rude to call it a virtual valuta ?

xHeaven - October 20, 2021, 6:26 am

Gold, but better and virtual.

Lyrlei - October 20, 2021, 6:31 am

A currency governed by the people. (I wish.)

Koyote - October 20, 2021, 8:37 am

A virtual currency that gives people power over banks.

Omniscient - October 20, 2021, 9:44 am

A revolutionary new digital asset that has no centralized authority which can control, ban, or stop it.

Silence - October 20, 2021, 9:53 am

The pillar of digital currency (em)powering a large bunch of smaller digital currency types.

Icey. - October 20, 2021, 10:39 am

ONE BIT

ONE COIN

BITCOIN

Bench Press - October 20, 2021, 10:58 am
