Thread: [Offering my Virtual Assistant services. Ecommerce | SMM | CAD drafting | SEO](#)

Veratitute - October 20, 2021, 12:44 pm

Hi! I'm a newbie here but experienced enough to offer my Virtual Assistant Skills. I can do Ecommerce wordpress and/or shopify based sites and yes! I can be your one call CAD drafter.

Here's the list of some other services I am offering:

- Social Media Management (I will make your new facebook page and instagram account gain ORGANIC likes and followers.) I offer this on a monthly package basis. Depending on your needs, I can propose a custom package for you.
 - > Page Creation (Logo, Banners, etc.)
 - > Page Customization
 - > Content Creation (10 to 20 posts graphic designed posts w/captions, weekly or monthly basis.)
 - > Integration with websites and other social media accounts.
 - > Monthly Reports.
 - > Other social media management services (answering inquiries through direct messages and comments, etc.)
- On and off page website SEO.
- YouTube SEO
- YouTube Thumbnail Design.
- Product Research (Amazon, AliExpress, Ebay, Alibaba).

Maybe you're wondering why I have these so many skills. Part of being a virtual assistant is to get in touch with the latest marketing trends and processes.

You want to gain page followers?

You want to gain viewers and subscribers?

You want them to be your customers and gain high conversion rates?

Then send me a direct message and I am very willing to help you.

Prices are negotiable and fair. ??

Hi, I'm interested in your service.

I need something simple to be done.
